Rule 4. Chair relinquishing the Chair

The Chair may call any member to the chair, but such substitution shall not continue longer than one meeting.

When a subject is under debate, the Chair may state facts, give his opinion on questions of order or wisdom of procedure, and participate in any debate or discussion without leaving his place; if the Chair elects to vacate the Chair to take part in any debate or discussion or for any other reason, he shall leave the chair, appointing some other member to preside until he resumes the chair.

The Chair shall put the previous question in the following form: "Shall the Main Question Be Now Put?" and all debate upon the main question shall be suspended until the previous question shall be decided.
