Are You Ready For One of the Funniest Shows You Will Ever See? Because You're Just One Thought Away From... The Celebrity Hypnotist to the Stars.

Richard Barker is a world-renowned professional hypnotist, comedy stage hypnotist, television personality, author and keynote speaker. He has spent the last 20 years entertaining audiences all over the world with his dazzling hypnosis show in 38 countries. As The Incredible Hypnotist, Richard brings his charm and experience to blow the minds of audiences, and celebrities alike. Barker started his career in hypnosis as a member of the United Kingdom's elite forces known as the Royal Green Jackets; a crack military organization. After his military career, Richard expanded his hypnotic skills as a Police Detective; helping witnesses recall information forgotten. It was also at this time that Barker started performing his globally recognized comedy hypnosis show. Richard chooses to focus most of his efforts on comedy hypnosis

performances because he feels, "I give the people a compelling, fascinating and entertaining entry into hypnosis and after that, they become curious as to what the mind can actually do." Richard's work can be seen on: The Today Show, The Late Late Show with James Corden, ET Entertainment Tonight, Reader's Digest, Huffington Post, Glamour Magazine, Sports Illustrated, Marie Claire, US Weekly, Google Talks, Health Magazine, SELF Magazine, Men's Fitness, InStyle Magazine, YouTube Creator Summit, CBS, NBC, FOX, ABC, as well as many major news shows and publications across the globe. Filled with high-quality fun and laugh out loud interactions, this show will be the talk of the town for years to come.

This is an interactive show and requires audience participation to be a success! On the day of the event we will be asking for volunteers who would like to be hypnotized and become part of our show. If you volunteer, and you are ultimately chosen by Richard to be part of the show, you will be fully reimbursed your payment for the program. All comedy in this program is clean, wholesome fun!
